About Us

MACRO was established on 21 February, 2014. We are an innovative designer, constantly striving to innovate, source, design, produce and bring new trend to the Interior Design and Architectural Industry. With Our experience and understanding of the interior decoration industry we have been able to achieve new & innovative products. We are never satisfied with limited resources & designs. We like to think ourselves as a startup. Our excitement and passion towards making new and innovative products & designs has always kept us to stay in current market which has helped us to capture good market share. You desire it, name it, order it and we make it. We have a high brand recall among our customers.

The main objective of our company is customer satisfaction.
